The partnership owner group is not a venture capitalist group. We are owner OPERATORS. Our days are spent working alongside each of our employees in order to help provide them with the support and feedback they need to become as success as possible.

We see ourselves as down to earth...
ordinary people combining
“Old School” blue collar work ethic
with passion and pride to produce
on-going extraordinary results.

We take offering a new team member a job very seriously... We understand it is not an individuals success we are responsible for but rather a extended families well being and future. We see ourselves as down to earth...ordinary people combining “Old School” blue collar work ethic with passion and pride to produce on-going extraordinary results. We currently operate 6 Ashley Furniture HomeStore showroom, 3 Distribution Centers and 1 outlet showroom in Western & Central NY; 2 Ashley Furniture HomeStore and 1 Distribution Center location in Central PA and recently have expanded into the Northeastern Ohio market opening 2 showroom locations and 1 Distribution Center in the Greater Cleveland market.

WCT, Inc & Ashley Furniture Industries

Entering into the HomeStore partnership with Ashley Furniture Industries in early 2001 was a defining moment in our history. Over the next 7 years we expanded our HomeStore operations throughout Western & Central NY. In 2008 we closed, then converted our last remaining Wellsville Carpet Town furniture retail showroom to become a fully committed Ashley Furniture HomeStore operator.

Our HomeStores displays and sells goods manufactured exclusively by Ashley Furniture Industry. In 2012, Ashley Furniture Industries ranked as the #1 Furniture Manufacturer in the World.

AFI manufactures and sells approximately 3.6 BILLION dollars in home furnishings a year. That’s 2 Billion dollars more than the next nearest competitor. That makes Ashley the #1 name in furniture.

Today, Ashley Furniture HomeStore licensee group is celebrating their 6th consecutive year as the #1 Furniture Retailer in North America as well as have achieved double digit increases for the past 3 years. Tough economy? Not if you're representing Americas' #1 Selling Home Furniture Brand!
