

Looking to further your nursing career in the UK?

Altogether Care is a prominent independent UK care provider with over twenty five years of experience of delivering high quality care to local authorities, the NHS and an ever growing private client base.

We are a UK government accredited organisation licenced as a sponsoring employer for overseas professionals seeking to work in the United Kingdom.

As a result of our success and ongoing expansion Altogether Care has opportunities for both experienced and newly qualified RMN or RGN nurses to join our specialist elder and dementia care teams.

Our services are based in South West England recognised as one of the most attractive regions of the United Kingdom in which to live and work, close to the regional centres of Dorchester, Weymouth and Yeovil with good transport links to Bristol, London and Bath.

In addition to the opportunity to further your nursing career in a professionally rewarding environment where you can make a real difference to the quality of life for the people you care for we can offer you attractive hourly rates, full time permanent contracts, free professional training, accommodation and a great range of staff benefits.

The staff benefit scheme also includes: retail discount vouchers, child care vouchers, discounted holidays and travel insurance, various leisure and restaurant vouchers, a hospital plan and much more.

Altogether Care believes in nurturing talent and has an established robust workforce development programme. This combined with the organisations ambitious expansion plans provides the opportunity for progression through service management and clinical lead roles into strategic & operational senior management. Typically we would expect a member of our nursing team in a full time role to work 42 + hours per week in flexible shift pattern's which can include some night and weekend cover.

All new Nurses are given industry standard induction training, to include health and safety, manual handling and food hygiene and will be actively encouraged and supported to continue their professional development.

Applicants must:

- Have a valid NMC PIN (we would still like to hear from those awaiting their PIN)
- Be prepared to complete an application for a full DBS disclosure
- Have 2 suitable references (professional and/or educational)
- Have a good standard of verbal and written English (or be prepared to further their language skills)
- Excellent teamwork skills
- Good verbal/written communication skills
- A commitment to maintaining standards and providing quality person centred care.
