A dozen reasons to love our company

1. We feel connected to caregivers and patients.
   We love to share, read and hear about the patients whose quality of life has been restored by our products, and about surgeons who can better serve their patients because of what we do. These powerful stories inspire us.

2. We have a strength-based talent philosophy to ensure a great fit.

3. We celebrate both team and individual successes.
   Employees tell us repeatedly that our recognition programs and informal acknowledgements inspire them and build loyalty, commitment and attachment to Stryker.

4. We are proud of our work and our employees.
   We allow our teams to win with talented individuals who move faster, act quicker, and are empowered to do more.

5. We support philanthropic initiatives around the world and in our local communities as well as take care of the environment.
   We give back all over the world, donating our time, our funds and the products we make to support humanitarian missions and help people in need.

6. We value and support diversity and inclusion.
   We understand that attracting and empowering a diverse team is critical for the success of our business, and we take steps to ensure that our workplace is inclusive.

7. We encourage fun, friendship and camaraderie.
   Our employees know how to have fun. We enjoy spending time together and find many ways – both planned and spontaneous – to celebrate with each other.

8. We want everyone to be part of the conversation.
   Our employee resource groups (ERGs) provide a platform to exchange views on important issues, network, and continue professional growth.
   - Stryker wide ERGs at our many global locations

9. We strive for the best by cultivating a culture that allows us to win together as a team.
   We focus on results rather than hours worked and allow employees the freedom and flexibility to balance their work and their lives.

10. We involve employees in the decision-making process and act on information and suggestions.
    Employees brainstorm team goals together and see their ideas brought to life.

11. We share the big picture.
    We believe that all employees need to know how the business is performing. All of our leaders, from the CEO to line managers, share important information about our business and other news across the organization.
