

## **FAST TRACK**

A DISYS ACCELERATED SALES PROGRAM

The DISYS Fast Track program provides accelerated training for candidates looking for a successful and exciting career in sales.

With over 200 clients, and a \$1 billion revenue goal, our Fast Track program places outgoing, driven graduates selected from top colleges and universities around the country in one of DISYS' 19 offices nationwide to contribute to our high-growth strategy.

In our 6-month training program you will learn:

- Who DISYS is and what we do for our clients
- The types of positions we fill and how we fill them
- The DISYS sales process and how to develop relationships and manage your accounts effectively

By starting at our most critical position – Fast Track Sales Professional – candidates learn a holistic view of the sales process and gain exposure throughout the organization. Our high-energy, fast-paced training program provides each candidate an excellent opportunity to gain hands-on experience, receive mentorship, and be part of a team at the forefront of innovation, job creation, and customer service.

### **WORLD-RENOWNED SERVICES**

Digital Intelligence Systems, LLC (DISYS) is an ISO 9001:2008 certified global managed staffing and consulting company with core capabilities in staffing services, application services, business and program management, infrastructure support services (ISS), support services and cloud enablement.

Our vision is to be a global business partner, delivering the highest quality and most consistent services at the best value to clients worldwide.

DISYS is headquartered in McLean, Virginia, with offices and delivery locations worldwide in North and South America, Europe, and the Asia Pacific region.

## A PROVEN PATH TO SUCCESS

DISYS holds fast to its promise to deliver high quality, cost-effective solutions to its customers through its five-tiered value proposition:

Global

Innovation

Partnership  
Network

Talent

Support

As a Minority Business Enterprise incorporated in 1994, DISYS has seen exponential growth in recent years, and currently ranks as the second-fastest growing company in the staffing industry among companies with revenues exceeding \$300 million.

With over 2,000 employees, DISYS boasts a long history in the staffing and consulting industry, growing from a two-person basement operation to an award-winning multi-million dollar firm.
